

Privacy policy

MeniconNect Co.,Ltd. (hereinafter referred to as “we”) is aware of the importance of our customer’s personal information. We believe that to protect our customer’s personal information is our social responsibility. The efforts we lay on the basic policies for the protection of personal information is defined as follows.

About the use of personal information

We use personal information only within the scope of the purpose of use specified by us at the time of our acquisition of the relevant personal information, and only to the extent necessary for implementation of our business.

Provision and disclosure of personal information

The personal information we collect from our customers will not be shared with third parties (except in the cases specified in any of the following points)

- If there is consent and approval by the client.
- If definitively required and obligatory as to protect the health and welfare of the customer, and only in the situation that there is no prompt communication with the customer.
- If such information is required based on mandates and regulations stipulated by law.

Compliance with laws, regulations and standards

We comply with laws and regulations, guidelines set by the Japanese government, and other standards concerning handling of personal information. In the case that we have received a request for personal information protection measures from our trading partners, we make an appropriate response in our responsibility.

About disclosure and reviews of personal information

If customers wish to disclose or correct their personal information, by the offer from the customer himself, we promptly respond within a reasonable range.

Implementation of safety measures related to personal information

We strive to ensure the safety and prevention of unauthorized access to our databases, to prevent forgery, destruction, loss or leak of our customer’s private information under the reasonable management system.
